For Level 2 Coach Learner information and application pack.

The Level 2 Certificate in Coaching Archery qualification has been designed for Level 1 coaches wanting to move on from delivering Beginners courses and taster sessions to take archers up to competition standard or whereabouts.

This course is not designed to train performance Coaches; the latter is the focus of County Coach.

Achievement of the qualification is normally via the combination of the following phases:

The course will consist of 6 days of formal tuition including both theory and practical sessions.

A programme of training, during which Candidates will be provided with the predominately practical and technical information required to fulfil the role.

Achievement of knowledge via a structured programme of learning and/or home study.

An independent assessment of the Candidates knowledge and understanding of the learning outcomes of the qualification.
